1. Interview of Interim Finalist Dr. Nate Bryant

Chair LaRock thanked the community for submitting questions and indicated that they were incorporated into the questions that the trustees would be asking Interim President Finalist, Dr. Nate Bryant.

Chair LaRock indicated that if an affirmative vote is taken, the candidacy would be forwarded to Dr. Carlos Santiago, Commissioner of the BHE, for review and final approval. Chair LaRock also indicated that if trustees were not ready to vote at the Special Meeting, the discussion will continue at the April 14th trustee meeting.

Trustees asked several rounds of questions that encompassed creating change, Covid-19, innovative thinking, collaboration, community partnerships and enrollment. Dr. Bryant asked trustees why they became trustees and what their top concerns are.

At the conclusion of the dialogue, Chair LaRock commented that there was no imperative to vote, rather that more time would be taken to reflect and react, as well ask the community to provide further feedback.
